

**Does your lawn look like this?**

**Would you rather something more like this?**

**Rutgers Cooperative Extension of Warren County Presents:  
Joel Flagler on Turf Management**

Weeds, brown spots, disease and grubs....why they are in your lawn and how to get rid of them. Come listen and learn from an expert in turf management. Joel Flagler, head agricultural agent from Rutgers Cooperative Extension of Bergen County, will explain how to care for your lawn and discourage disease and pests. You will get an abundance of useful information on how to attain a healthy and attractive lawn without paying big bucks for a professional. Joel will share his knowledge on how to save money on fertilizer and other lawn amendments, reduce pollution from over fertilizing, protect beneficial insects and keep pests away using the responsible approach of integrated pest management. Light refreshments will be served. For more information or to register call 908-475-6507.

**When: Monday, May 8, 2017 10-11:30 am**  
**Where: Rutgers Cooperative Extension of Warren County, Belvidere**  
**Fee: \$10, pre-registration is required; space is limited.**
