

Backyard Beekeeping

Come in and learn all there is to know about how to get started with your very own colony of honeybees. There are so many possibilities that come with beekeeping. It can help pollinate your local farms and gardens, provide you with delicious honey, and even inspire you to begin your own business out of products produced with the help of your hardworking honeybees!

Saturday, November 3rd 10:30 am-12:00 pm
Wayne Dumont Administration Bldg. Suite 102, Belvidere NJ
\$10 per person, includes light refreshments
